OCTOBER 2023
OUR 50TH YEAR

VOL. L No. 10

BIG SIR'S MESSAGE

You must make a reservation (RSVP) to attend our monthly luncheon. Please call our Lunch Line at (415) 881-7477 or send an eil to www.sirbranch47@gmail.com

Our September luncheon was well attended and our speaker Michael Blodget, Ph.D., gave us a detailed picture of the issues surrounding Taiwan and China's attempts to control the South China Sea. A very informative and thought-provoking speech.

I can hardly believe that October is here. It won't be long until we get the Trick or Treaters, Ghouls, and Goblins and one of my favorite holidays, Dia de los Muertos (Day of the Dead). If you are not familiar with this tradition, I recommend you watch Coco, an animated Disney movie about the Central American tradition of honoring dead family members by bringing gifts, flowers, food, and candles to their gravesites. A more local celebration takes place in Petaluma. Check with the Petaluma Chamber of Commerce or just search for "Dia de los Muertos in Petaluma" on Google. I hope to attend a celebration of Day of the Dead in Pátzcuaro, Michoacán, Mexico some-day. It is quite a celebration.

SIR has traditions also. We all know the tradition of reciting the "Pledge of Allegiance" as we did each day when we were in grade school. We then break out with a patriotic song. The Big Sir welcomes our guests. And we are off to enjoy another get together over lunch.

Our luncheons are also official meetings of the branch. On September 26th we elected our officers and BEC directors for 2024. Our congratulations and thanks go out to them. Thanks, guys, for stepping up.

Our State SIR organization publishes guidelines for our luncheon meetings. These guidelines are there to ensure that we continue to "take care of the business" of our branch. All branches are independent non-profit Corporations.

But all branches have differences in their "traditions". These traditions change from time to time. My point is that our luncheon meetings contain our own traditions. We change things from time to time so that the meetings will run smoothly, and we have as much fun as possible.

(Continued)

(Big Sir Comments Continued)

The less time we spend on “business” the more time we spend enjoying each other’s company. We also get to enjoy our speakers’ presentations. This offers us an opportunity to gain insights into a wide variety of subjects.

Add to that recipe, our list of activities which are open to all our members and their significant others. SIR is an unbeatable recipe for fun.

Many sources state that socializing with our peers helps to extend and enrich our lives. So get off that couch and participate in our activities if you are able.

My compliments go to our Little Sir, Carl Dawson, who continues to recruit excellent speakers for our 2023 luncheons. We have two more luncheons in 2023.

On December 5th we have our annual Christmas Party. Please note: this is the FIRST Tuesday and takes place in the evening. This will be a change in tradition for some of our members who are used to a Christmas Luncheon. Look for the announcement later in this TamalTalk. Kurt Heilman has kindly taken over the chairmanship for this event. It is a fun event with live music. Bring a date and celebrate Christmas 2023.

We continue to recruit new members. A big thanks to Bill Bunderson and Kent Dutrieux who again managed the SIR booth at the Senior Fair. This year’s fair was the first one since the pandemic. It was not as well attended as in previous years, but I have faith that it will continue to grow and provide us with more guys who are interested in SIR. Even though we are a larger branch now, we must still recruit new members.

I am pleased with the progress of our branch. We successfully completed a merger, and our branch is in good shape. Our membership continues to hover around 170 and our attendance at lunches is consistently above 90. We have an active Branch Executive Committee (BEC) which acts as the administrative arm, and we continue to fill our officer slots with quality volunteers.

As they say though, the “room for improvement” is often “the largest room in the house”. Our biggest needs were outlined by our recent guest Lee Moy who is the Chairman of the State SIR Growth and Membership Committee. Lee met with our BEC before our September Luncheon, and he had several good ideas. The BEC will put some of these ideas into action. Our goals are to attract more younger members and also to increase our ethnic diversity. We need to reach out to these populations. They are a large untapped source of potential members. If they live in Marin, Sonoma or Napa counties, they are usually well educated, stable and willing to inject the needed energy to take over for us older members as we “age out”. So, if you know anyone who fits, please reach out to them. Our average age is still around 80. I would like to see that drop next year.

As we move forward as one larger branch, we should remember that 2023 has been and continues to be a year of change for all of us. It is natural to have expectations. I am sure all of us wondered how things would change as we merged two branches into one. The fact of the matter is: change is inevitable.

Some say that life is constant change. By that definition, how we adapt to change determines our level of happiness. Don’t believe that we are too old to adapt because we are experienced at adaptation. Let’s adapt together and continue to forge new friendships within our new branch and reach out to others who will enrich and extend our lives.

We Are Back Baby!

The Marin Senior Fair has been closed for more than 3 years due to the Covid Pandemic and this year we were finally able to get back at it. September 7th, 2023 was the reopening and the fair was just as crowded as years before, it seemed like not a beat was missed. Bill Bunderson and Kent Dutrieux manned Branch 47's booth at table 316 for the day with help from several members coming at various times to give them a break.

We were able to spread the word about SIR to numerous men who were interested in what we were about. The biggest reaction was from the wives who made their husbands come over and talk to us, when they found out that we could provide them with various ways to maintain engagement with the outside world.

There was a total of 25 sign-ups on our call-back sheet of which 17 were useful. So far, we have three respondents, two of which made our September Luncheon.

The Senior Fair is a great outlet for recruiting men from outside our social circles. We hope to do this again next year and if we do we hope to see you out there once again giving us a hand.

BRANCH BUSINESS

SIR Branch 47 Board Meeting
Tamalpais Branch
In Person Meeting
August 22, 2023

Meeting was called to order at 9:30 a.m. by Big Sir Mark Bosch. A quorum was determined to be present.

Attendees: Officers and Directors of 2023 Board were present as follows: Mark Bosch, Carl Dawson, Alan Thomas, Alan Lutsky, Mark Rudy, Bill Wickley, Ron Kosciusko, Marshall Gross, Erick Young Bill McNicholas and Frank Luttringer. Absentees were Rick Coburn and Bill Stewart. Visiting was Kent Dutrieux.

Big SIR Report:

Little SIR Report:

.The August speaker, Forrest Booth, will be a representative of the Liberty Ship Jeremiah O'Brien. The ship is docked in San Francisco and has a history of wartime service. The September speaker will be Michael Blodgett who will speak on United States/Iran conflict. Speakers' biographies will appear in Tamal Talk.

Treasurer's Report:

Assistant treasurer reported that treasury is in a status quo mode.

Membership Report

The number of members for Branch 47 now stands at 170. One resignation and one initiation results in 170 members presently. Ninety-five members will be present for lunch on August 22nd. Discussion led to the feature of alumni members who are considered inactive but are still welcome as paying guests for luncheon. First time guests are entitled to free lunch.

Old Business:

A slate of officers and Board members for 2024 was presented. The slate was presented to the membership at the luncheon-meeting and will be published in the next edition of Tamal Talk.

New Business:

The topic of "no shows" for lunches was raised with the resulting figure of \$800.00 reflecting the loss to Branch 47 due to this condition. Considerable discussion was raised with the thought that a harder line must be taken to stem this liability to the branch. It was moved and seconded that members who do not show up for reservations made will be charged and not allowed to register for another luncheon until the charges are paid. If a member is in arrears for more than 60 days, they will be removed from membership. Motion passed.

Discussion was raised with regard of need of defibrillators which are believed to be on the McIness premises, but specifics of location and conditions of use were brought up with further discussion to follow.

With no further topics to be raised, it was moved, seconded and passed to adjourn meeting at 10:30 a.m.

Next meeting is scheduled for 9:30 a.m. on September 26, 2023.

Respectfully submitted,
Alan Thomas
