JUNE 2024
OUR 51ST YEAR

VOL. L I No. 06

BIG SIR'S MESSAGE

You must make a reservation (RSVP) to attend our monthly luncheon. Please call our Lunch Line at (415) 881-7477 or send an email to www.sirbranch47@gmail.com

Welcome to June, the beginning of summer and all the activities that entails. We have such a great opportunity in Marin to take advantage of so much open space and great walking trails that allow us to get out in the warm sunshine and enjoy nature while doing our bodies some good. Northern California has a lot to offer; check out something new to enjoy in the area.

We have several activities from SIR 47 for you to enjoy this summer. On June 18, enjoy the SIR Annual Bocce/Garden Party in an Rafael. This is a fun event for you to learn or improve your Bocce skills while enjoying a wonderful lunch.

July 16th is the Annual Summer Picnic at Miwok Park in Novato. SIR will furnish some drinks and dessert while you BYO food and alcohol. New this year is our First Annual Sunset Cruise in September. We will enjoy our own picnic lunches while cruising under the Golden Gate Bridge. All of these are open to your families.

If that is not enough to do, don't forget to check out the SIR activities listed here in your Tamal Talk. Remember you are always welcome at the activities of other SIR branches.

We had a very informative talk last Tuesday from Mark Brown with the Marin Wildfire Prevention Authority when he spoke of Adapting to a Future with More Fire. He shared the innovative ways that Marin County is working to mitigate the damage of any fires in our county. He suggested that we all go to www.alertmarin.org and sign up for evacuation notifications. He also sent a very helpful evacuation video - <https://www.youtube.com/watch?v=91hgUjhmSIE>.

Our June 25th speaker is Eric Grey, an author of 2 books who will share stories that are a tribute to why baseball remains the All-American pastime and how it connects friends, families, and communities. (Continued)

(Big Sir comments continued)

We have a very strong and growing SIR branch. This is due to each of you bringing your friends to join us. It is also due to your very active and involved board of directors. Be sure to give them all a big thank you.

Enjoy your summer!

Carl Dawson
Big SIR, Branch 47

Little Sir Report for June

I was traveling to Hungary, Austria, and Germany at the end of May and missed you all at our May meeting. I hope that you all enjoyed Mark Brown and became educated about fireprevention in Marin.

In June, we move on to sports with San Francisco Giants Fan Eric Grey who will be joining us with a collection of personal memories collected in the book *Backyards to Ballparks*. They all, in one way or another, touch upon baseball but the stories are far more of a human-interest nature than the play of game.

It's hard to believe that we are almost halfway through 2024, but in the second half of the year we are planning more great speakers to inform and entertain. We will hear about Vietnam combat experiences from Phil Gioia author of *Danger Close* and learn how we can live healthier and longer lives from Buck Institute researcher Bijoya Sen. Sirs member Ted Gaebler will discuss much needed ways of reinventing government and Kent Dutrieux will keep us on the ground with his *Fear of Flying* presentation.

See you all next month.

You can email me with your comments at Fluttringer1@gmail.com.

May 28th Branch 47 Luncheon

What a gorgeous day we had for this luncheon, it was warm outside and absolutely beautiful. We started out the morning with check-in and a lot of animated conversations at all tables. At the ring of the bell, pledge and song done, we had full reports from the Activity Chairmen and Event Coordinators. We had three guests introduced Mike Giannini (Tom Culhane sponsor), Tom Sabido and Arthur Chambers (Ron Kosciusko sponsor). Birthday wine was handed out to those members who came to the luncheon and a very special Life Achievement Award was presented to Ed Texeira who reached his 95th birthday. After lunch we received a talk from Mark Brown the Executive Officer for the Marin Wildfire Prevention Authority. Mark explained to us how his organization was combining and coordination with 14 Fire Prevention Agencies throughout Marin County. He discussed several programs his agency was implementing. A lot of his work deals with public education and awareness on how to protect your home from wildfires and what you need to do during an evacuation. He also told us about upcoming improvements to warning and evacuation systems. Mark ran out of time answering questions from the members. Overall, a very good presentation.

Investors Lunch Bunch

Join us on the second Friday of every month for lunch followed by an hour discussion on various investment topics such as current market conditions, specific investment strategies, market cycles, and specific investments (stocks, bonds, real estate, funds, ETFs, limited partnerships, options). This is not a traditional Investment Club. It's purpose is to share knowledge and experiences of managing investments. We encourage attendees to ask questions and share their knowledge. We have had discussions on Estate Planning, appropriateness of specific types of investments, investment performance calculation tools, laddering bonds, risk management, broker selection, various internet resources, and tax issues.

Our attendees collectively have broad experience and share their specific knowledge with the group. If you have limited investment experience this is an excellent resource to learn the basics and make you more fluent with financial terms and products. This knowledge is especially useful whether you manage your own investments or use an individual or firm to manage your finances.

Join us at 11:30 AM the second Friday every month at Sam's Place, Nave Shopping Center, 1545 South Novato Blvd. Novato, . We use their private room for our lunch and discussion. You can order any breakfast or lunch item on their extensive menu. You will receive a separate check. We will conclude promptly at 1:30. RV ENTHUSIASTS VISIT TO SHELDON DOING Car Museum in San Rafael

On Monday May 13 Sheldon Doing invited our Sir Car Enthusiast group to visit his eclectic museum of old cars, motorcycles, toys and memorabilia of 19th and 20th century in downtown San Rafael. Sheldon appears to be an independent investor that acquires and can repair anything in these two rooms of about 10,000 square feet. There were about 25 of us that most enjoyed watching him play a few old carnival organs and hearing the stories that went with acquiring some of these items.
